DEDICATION

TOM GRALINSKI

Tom Gralinski. By no means is it the most well known name on campus. In case you're wondering, he hangs out in the GRAPHICS room, right next to AUTO. And it's no wonder only a select group of us gets to know him. He wears ink-smeared 'trench coats', keeps a low profile, and has been known to grow a beard almost overnight to further disguise his identity.

But everyone that does know "the Gra" or has taken one of his classes truly appreciates him. Most of us are victims of typical sophomore thinking. We say "Yeah, I'm taking Graphics. Hey, it's an easy A, right?" Wrong! Mr. Gralinski's classes are fun and different, but they're also challenging. Over the course of a semester or year one becomes sincerely grateful of his patience and willingness to help out. Our memories of Graphics are terrific, and they all involve Mr. Gralinski in one way or another. He's funny, encouraging, but most of all, caring. What other teacher so often expresses his concern towards students' well-being? "Don't look at the light!", he constantly warns, "It'll blind you!!!"

So here's to Tom Gralinski. He's a great teacher and a cool guy. But most importantly, he's appreciated, since he's one of those all too rare people who make our time here enjoyable and rewarding.

SOPHOMORES

I'm living in a fantasy,
My life is far away,
I'm living in a dreamworld
In the night as well as day
I'm holding back my inner thoughts
But the tears are sure to come,
For sadness is my lifetime fear
Yet it brings joy to some.
So I'll see you in my dreamworld
whoever you may be
And, I'll show you things you've never seen
And then, I'll show you me.

JUNIORS

The moment has arrived
Somehow,
It's a miracle we survived.
So now we're leaving home
And finding out
what life is all alone.
Will we stand the test of time
Reaching for the missing lines?
Will we ever be
who we can be?
Here we stand
Holding hands
Will we ever make those dreams
Of ours come true?
Or is it
Only in our dreams
we can see the light shine down
so bright
We will almost touch that
rising star.
Only in our dreams
So close and yet so far.
Because it's only in our dreams.

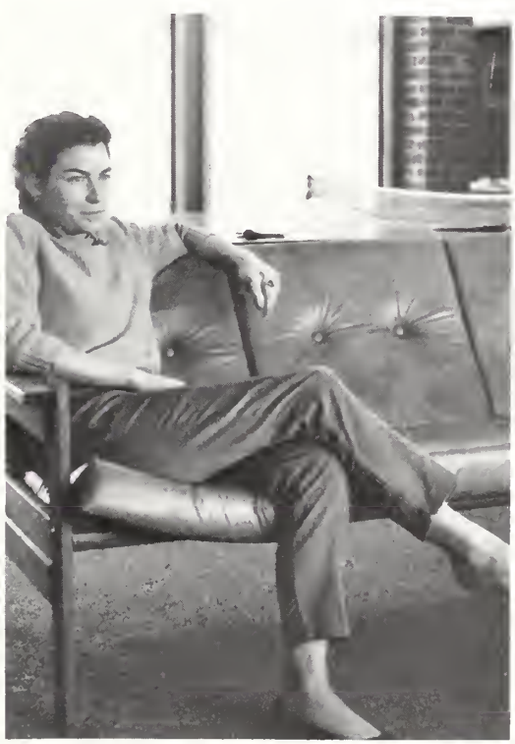
THE ALTERNATIVE SCHOOL

The South Amherst High School is an alternative program in a personalized setting that provides emotional and academic support. Normal high school courses are offered in small specialized groups with opportunities for one-to-one help. Group activities and a relaxed atmosphere result in warm, close relationships.



BOOSTER DAY

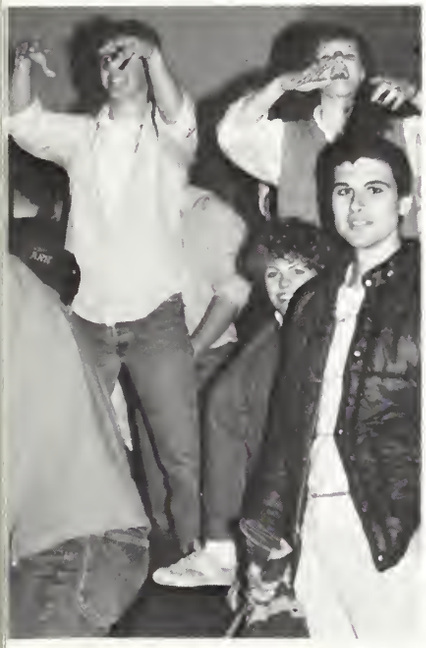
Booster Day is the day when all students give off steam with 3 activities to show their true colors; skits, float and hall decorations are all challenges to the imaginations of Seniors, Juniors, and Sophomores. This year, Seniors walked away with first place in Float and Hall while the Sophomores received first for skit.

THE CAKE SALE

This years' Cake Sale was a big success! There were many beautiful . . . , well . . . . . , interesting cakes, the undeniable highlight of which was a lifesize portrait of Fred Flintstone, done by the Student Council.

If the lively, competitive bidding wasn't fun enough for you, you must have enjoyed the eating! It consisted of demolishing cakes and eating with your fingers. Mostly everyone walked away with a stomach-ache and a face full of cake. The cake fights were so violent that people even thought to bring umbrellas!

The Junior class challenges next year's class to make their sale as successful as ours was!



THE THEATER COMPANY PRESENTS . . .

Under Milkwood

Under Milkwood, by Dylan Thomas, is a radio play that, with a little imagination, fits neatly on-stage, where the Theater Co. put it in their first production of the year. 16 performers played the 40 + characters of Thomas' half-cracked fishing-village in Wales, playing their different roles and narrator parts without changing costume or moving offstage. Darcie Dersham played and sang the traditional Celtic music; sets were by Andrew Predmore and Alan Fortescue, costumes by Kim Dahowski and Jenny Brehm.

The Theatre Company had a cast of hundreds. The season's curtain-opener was Under Milkwood. All set to follow it was Golden Girls. March produced Romeo and Juliet, the English Venetian tragedy of love. Our musical created many ticket lines as our writer's group created lines of another sort. Thanks to everyone who built our productions, who propped them up, who lit up the stage, who was directly responsible, who threaded them together, and those yet unmentioned who made up our Company. Kudos to the Board and a standing ovation for our Executive Producer, Mr. Warthen.

Theatre Co. 1st R: B. Schneider, M. Wright, A. Staub, A. Adams, L. Mizell, E. Jenkins. 2nd R: H. Radosh, D Lardner, K. Dahowski, J. Brehm, J. Su, H. Clysdale, L. Hugus, E. Woolf. 3rd R: M. Beatty, I. McKenna, C. Eccleston, Z. Leven

Golden Girls

Golden Girls, by Louise Page, was an unusual script to begin with — a British women's relay team, illegal drugs, racial conflict — and it became rarer still — our first original rock score by Dan Van Blerkom and Dave Partee, a strobe light, onstage relay trials. Jeremy Hornik designed sets, Matt Stoffolani the lights, Chris Bell and Bethany Schneider the costumes.

The Wind Ensemble is composed of serious musicians who strive to perform the most challenging repertoire. Under the direction of Douglas Purcell, we tackle anything from Sousa to Shostakovich. This year, we were lucky enough to travel to Montreal with the orchestra and to enjoy a year with our UMass. interns, Lynn Kirouac and Andrea Kallas.

CLUBS

The People of Color United is an organization that provides ethnic, racial and cultural support for the diverse student population. Although it is open to all students, the most active participants have been the African-American and Hispanic American students. Activities have included a mural painted across from the gym, guest lecturers during Black History Month, support of the A.B.C. program, participation in Martin Luther King Week activities at U.Mass., and providing an informative bulletin board in the Junior corridor.

1986-'87 was a successful and productive year for the Student Council. For the first time, we opened meetings to the entire student body. This attracted a diverse group of students who had a real interest in student government. Mrs. Schweid was a key factor in our accomplishments as she was interested in meeting student needs and was helpful in communicating student views to the Administration and Staff. One of the more memorable, if less momentous activities of the Student Council this year was the creation of five-foot "Fred," the best cake in the Auction.

They gave us three choices: prison, exile, or the As Schools Match Wits team. It wasn't a hard decision. So, we joined the team and we've done our job well. Heading into winter '86, we've gone 2½ years without defeat. A band of fearless academic gladiators, we strike terror in the hearts of all who dare to oppose us. If you have a question that no one else can answer, don't find us. We'll find you.

The Russian Club has been very active this year, getting involved in cultural experiences not possible in the classroom, and helping to enhance community awareness of the Russian language, culture and people. Among our many activities this year have been playing exciting games of GORODKI, viewing contemporary and historical Soviet films, organizing the annual MASLENIZA banquet, creating another popular Russian Club T-shirt and raising money to help subsidize a very important Russian Club activity: the 1987 trip to the Soviet Union. Eleven students and two chaperones experienced an exciting tour of the Soviet Union for three weeks in February. Tremendously successful this year and with smaller group in the past, this trip is a unique Russian experience for each participant, and the Russian Club is confident that it will be repeated for future students of the Russian language at A.R.H.S.

Hope and Solidarity is a group open to all students, faculty and administrators. Collectively, we strive to foster awareness of cultural symmetry and diversity, to develop an understanding and appreciation of cultural differences, to initiate acceptance of people of varying genders, races, ethnic ties, sexual preferences, and to create an atmosphere in which open discussion of these issues is comfortable and welcome. We try to promote our goals through such events as the Ethnic Feast and encourage students to support and become involved in our organization.

Who are all these imperialists wearing sheets and what are they doing in our yearbook? Well, these vicious Romans (and you thought they were only students) are getting psyched to rid the world of evil by creaming Slimus Agerpittsorum at Classics Day. Some of us went to hear a French singer at the Iron Horse Coffeehouse in Northampton. Our most ambitious activity was a spring trip to Quebec City. (Martinique seemed out of the question). All in all, we've been very active in finding ways to learn about and enjoy the French culture. Vive la France!

Student Teacher Organization for Peace: People, students whatever have always asked us why have a peace organization in High School? You can't vote, you don't have contact with large masses. So why? But the question is . . . Why not? If history has taught us anything, peace is not something that can be achieved by 12 people in a social studies room after school. However, if 12 people in every school across the world put their time and effort into educating their peers, a major step would be achieved. To do our part, so far this year we have started early planning on our famous week of dialouge and thanks to the efforts of many new members set up foundations for future years. Peace is not Republican or Democrat, Liberal, or Conservative, but a human necessity.

The National Honor Society is composed of students who have maintained high academic standing and exceptional leadership in extra-curricular activities. With the help of our mentors, Jane Price and Joseph Jacobs, N.H.S. devotes itself to community service. The year, we participated in Mass Transformation, the finishing of the West Street Youth Center, and the Brown Bag program which delivers food to the elderly. Many of our members are tutors to foreign students and tape literature for students with reading disabilities.

Never look back on your dreams
Your dreams are all that you have
If you look back on your dreams
You risk losing them.
Look forward, try to fulfill them
If you can make them come true.

Dreams should never be broken
For if your dreams are broken
So then are you.
Live for your dreams
die for them if necessary
No one can take your dreams away.
Dreams are forever
Some dreams may not come true
But they will always be yours and always
Belong to you.

This has been a banner year for the Cheerleaders. In October we won the W. Mass. Division III Championship. We competed in Regionals at Boston College and clinched the New England Regional High School Cheerleading Championship, which qualified us for the National Championships to be held in Orlando, Florida at the end of February.

Through hard work and determination we have learned to function as a team. What has been most rewarding is the upgrading of our status from a club that cheered for only a couple of sports to a squad that boosts the spirits of the entire school body. We would like to give special thanks to the students and faculty who have supported us through all our endeavors.

For the first time in history, the Girls' Soccer Team has won more than one game. In fact, our record improved to 9-10-1 this season. Now if that isn't memorable enough, then maybe some of these highlights are: things like Haley's chest traps, Stacy's flighting, Mr. Adam's famous "the same team that started the game," "pulling trou" and, of course, there was a whole lot of mooning going on. Thanks to Mr. Adams and Mr. Saulsberry and good luck to the Underclasswomen.

The Field Hockey Team was unique. It was a team that played with desire, loyalty, skill, and above all - PRIDE. Our defense, the most reliable around, once again was the Team's backbone. Our offense, while not flashy or dominating, proved to be effective, and got the job done. Our successful 6-3-5 season came to a close with the best effort of the season; leaving our Seniors with proud memories and the rest of us with a knowledge of what's to come.

During the 1986-'87 season, Boys' Cross Country proved to be a challenging Team. Even though we lost our top four runners last year, we finished with a very respectable 9-1 record. Unfortunately injuries and lack of experience deprived us of achieving the expected recognition of a powerhouse. However we did not only finish 3rd in the W. Mass. Championship but we also achieved individual recognitions. Congratulations, Graham (defected Murphy!), Jeff, Ian (good luck next year), Paul, Alex, Doug, various other J.V.'s, myself (Elliot), and our Coach, Randy Crowley, whose dedication and experience guided us through a successful season.

This fall the Boys' Volleyball Team spoke of winning a state championship — a very realistic goal, it seemed. Unfortunately, there was no tournament, supposedly because there were not enough boys' teams in the state. Scheduling conflicts made it impossible for us to participate in 4 private tournaments, so we had to settle for an 8-3 record. "Settle" may be a strange word to use, until you understand that the Boys' Team always wins. Well, most of the time. This year's highlight had to be our beating Choate in two games at home. Believe me, those boys had a long ride back to Connecticut that evening. We sincerely thank the hundreds of fans (give or take a few) who came to cheer us on.

The season was a fun one, especially because of our UMie Coaches, Roger and Gary. It was fun despite the rigid (ahem) discipline in practice.

We ended the season appropriately enough by, um, pounding, shall we say, Athol (15-5, 15-0). Somebody had to pay for a lot of pizzas . . .

— D.R.

The Girls' Volleyball Team had it's ups and downs, but on the most part had a good season. Varsity record was 8 wins, 10 losses. Overall, compared to last year's record of 9-9, with experienced players, the '86 team, Co-Captained by Senior Kim Field and Sophomore Christa Plaza, had a respectful season. Audrey Arcelli, the second of 2 Seniors, saw plenty of court time and was instrumental in the team spirit department. Other team members who provided consistent play were Juliet Peelle, Tina Russell, Stephanie Gleason, Amanda Rogers and Beth Paulding. We were fortunate to pull from the J.V. team 3 talented 8th graders, Alison Kelly, Jessi Peelle and Karen Jones to assist the Varsity. Debbie Howard and Jessica Wohl-Ludman captained the J.V. team to a very successful season with 12 wins and 4 losses. We look forward to a favorable season in '87.

The Girls' Gymnastics Team finished one of our most successful seasons ever with a 11-1-0 record. We then went on to take 1st place in the W. Mass. Championship meet, defeating our rivals Minnechaug for the first time in many years.

Because the team had no graduating Seniors we are looking forward to another great season next year. Hope to see you at our meets!

This year's Ski season seemed to go by faster than any before, but the Ski Team made good use of the time with the Girls coming in first and the Boys a close second.

This success could be because of our "Lazy but cool" attitude, our chant of "K.C.R.P.", or the (cough, cough!) great leadership of our coach, Peter. More importantly, the success of the teams were based on the excellence of it's members.

We cheered the girls when they won, dropped our jaws at the performance of Pia, Nick, and Fritz, and grieved at our first and only M.I.A., Seth. Whatever happens in seasons to come, this year will be remembered.

This season, the J.V. Hockey Team continued the tradition of excellence. Last year's inaugural season record of 9-2-1 left little room for improvement. However, this year we managed to stay undefeated and improve our record to an almost perfect 11-0-1. This outstanding performance is much to be proud of and makes the future Varsity Team look promising.

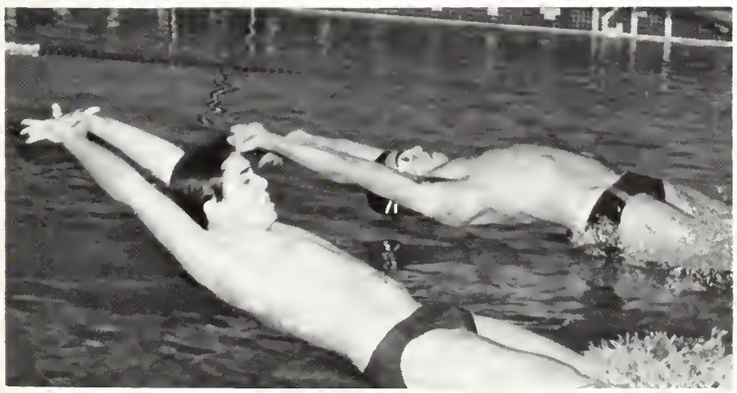
Hey gimme a dip! . . . . . Yo where's the party? . . . . . Man she's sweet. This was the typical conversation heard in the Canes locker room. But when this same team hit the ice there was no more dip, girls or parties, only pure intensity. This intensity propelled Amherst to a 14-5-1 record. Led by Senior Captains, Paul Torpey and Dave Cosans, the Team showed a real will to win and a closeness unparalleled by any other Amherst Team. It was a memorable season and we thank Coaches Bray and Campbell. But thank you most of all Seniors: Orbit, Tarp, Ayres, Russler, Ramer, Kitt, Heals, Nipple and Coszzy. Way to douche'm guys.

J.V. Hockey: 1st R: S. Pascoe, C. Schewe, P. McPartlan, W. Kohler, T. Danielson. 2nd R: Coach D. Whittemore, T. Sutliff, C. Fournier, D. Bloodsworth, B. Patterson, Coach B. Bray.

The Amherst Boys' Squash Team once again brought color and flavor to the Squash scene. Along with last year's returning talent of Ben Quick, Max Smith, Danny Martinez, and Doran Prescott, we were joined by new talents Rob Cope, David Partee and Carlo Maley. Inspired by our win over Amherst College women, we boldly set forth to a season full of "learning experiences" and few wins. As the season closes we salute our leaving Seniors, look forward to returning Underclassmen, and bid a fond farewell to Ben Jori. Many special thanks to our Coach and great guy, Karl Ackerman, who helped us have an interesting and enjoyable season.

Squash Team: 1st R: K. Melley, H. Clysdale, B. Quick, J. Schimmel, D. Partee 2nd R: L. Grice, J. Brehm, C. Maley, M. Smith. 3rd R: C. Ackerman, T. Eiseman, E. Hayden, K. Raj, S. Faulkingham, R. Cope, D. Martinez, D. Prescott.

Boy's swimming: 1st R. A. Stewart, A. Osborne, A. Laus, D. Nicholson, D. Ortiz, T. Chapin. 2nd R. E. Wells, G. Salzman, C. Shadoian, C. Reddam, M. O'Neil, K. Purcell. 3rd R. Coach J. O'Donnell, D. Laus, E. Freeman, C. Stewart, R. Chen.



Girl's swimming: 1st R. S. Gulliver, K. Reilly, J. Lake, C. Hazard, W. Saladin, K. Hoews, K. Thompson. 2nd R. J. Nober, C. Weaver, L. Willis, S. Bennett, K. O'Donnell, M. Osborne, M. Peterson, L. Kroodsma. 3rd R. Coach o'Donnell, K. Romboletti, M. McGuire, R. Geman, L. Devery, M. Flaherty, K. Hodges. 4th R. J. Spears, C. Bennett, R. Kilgallen, I Sherman, B. Jones, A. Koss, G. McCallister, Coach A. Reilly.

King of the western sands

1. Dave, Ben, and Phil were friends

2. They studied art and dealt Pez® for a little cash.

3. They were devoted to one thing - their band: Pious
Pope and the Cardinals.

PEZ AND CHECKERS

4. One day, after a hot jam session, they got into an argument.

5. Dave, being pragmatic, accused Ben of slacking off in his Pez* sales, pushing the "Cardinals" ever closer to the yawning pit of bankruptcy. Ben mumbled something about being content with the mere fact of Pez*, which only enraged Dave more. "Pez* isn't even the issue," Dave screamed. "It's this whole idealistic attitude, you can't spend your whole life ina pseudo-existential utopia of Pez* and checkers. "Don't you see?" Ben yelled. "It doesn't matter how we live in this world of absurdity, so just lay back and BE". Luckily, Phil was there to take control, saying: "If you can't stand the heat, get out of the chicken." This left Ben and Dave too confused to continue arguing.

6. It was evident that Ben had become dangerously obsessed with a fatally futilitarian philosophy, forcing Dave and Phil to action. "He'll have to be shocked back to reality," Phil realized, "but how?"

7. After careful deliberation, Dave and Phil decided that only execution could restore Ben to his former self. This would be a delicate operation, for unless he were killed just right, his chances of ever leading a normal, active life would be dim at best.

8. "Hallelujah!" they cried, for the execution was successful, and the three friends were happily reunited.

HOW TO BEAT

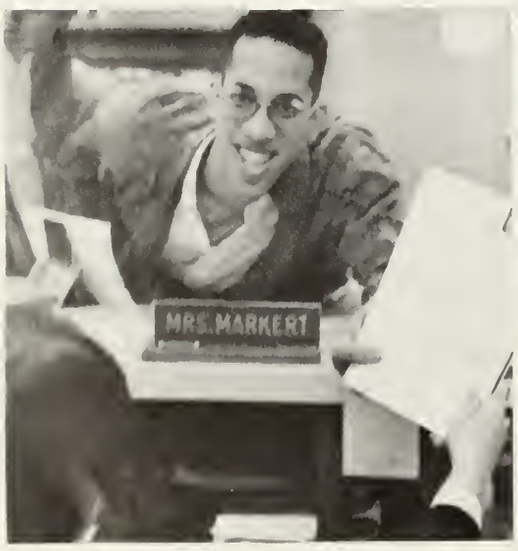
Because of recent rule changes in the Student Handbook, students now have to worry about such trivial things as passes, attendance, rules, and assigned study hall. Some of us long for the good ole days when these rules were unheard of. However, with our guide to self/academic improvement, you will be able to break the bonds of oppression at the High School. Look here and learn!

-Matt Berman & Marc Stevens

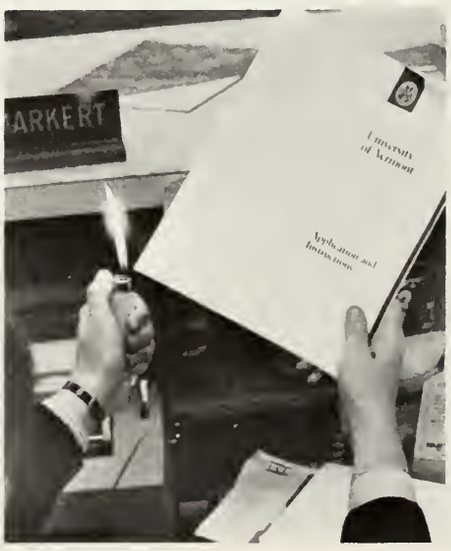
If you don't have a pass, carry $10.

With the help of your Attorney, you may be able to find a loop-hole allowing you to get open campus.

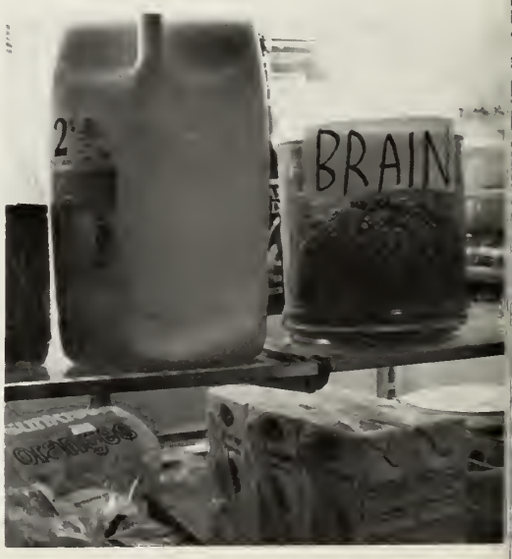
For a list of acceptable excuses for absence, consult your Student Handbook (Abduction by aliens is not one of these).



Make sure you're on good terms with the Guidance Secretaries



Or else . . .



Before you leave for School, make sure you have all the necessary equipment.

THE SYSTEM

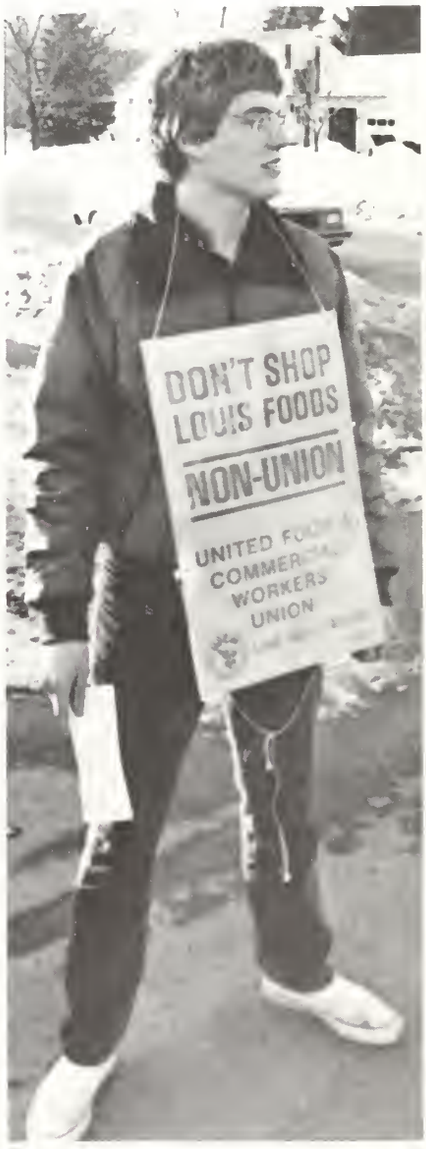
To avoid being removed from the library, go to the magazine section. (Nothing bothers Mrs. Maisey)

With a proper balance of chemical assistants, any class can be exciting.

Sometimes school can get a little too exciting.

If you have an important test you haven't studied for, you can cancel it at short notice.

Remember, no matter which rules you break, you can't get in trouble IF YOU DON'T GET CAUGHT!



After graduation, use your High School education to find a good career and a bright future.
